Please be aware that all communication from NSC will be by way of email.

Membership dues are based on the calendar year beginning January 1 and ending December 31 and are assessed on worldwide revenue in the 12 months preceding the date of this application.

Your NSC membership category is determined by the type of business or service your company performs within this industry. Once your company is a member, all employees are considered members throughout your organization.

Select the membership category best suited for your company.
