Preferred Customer Package

Bernina of America has set the value of the classes, service and support for each machine sold by a dealer(see back of page). The total value ranges from over \$650.00 for a 730E with software, down to \$150.00 for a small mechanical machine. These values are built– in to the sale of the machine.

We realize that you may have purchased your sewing machine, serger, embroidery machine or software from another dealer. These are some of the reasons you will want to treat yourself to our preferred Customer package:

1. Bernina of America suggests using workbooks with a 7 class series for Machine Mastery, 3 classes for Embroidery units, 4 –5 classes for sergers and 9 classes for software, so that learning how your new machine works can be enjoyable and successful. Our Machine Mastery instructors own Berninas and are very knowledgeable (attending as many regional trainings as possible to keep up with Bernina of America’s high educational standards.)
2. Factory trained technician, (who also sews & have a experience of over 30 years with Bernina machines) attend all trainings so that they are completely up on the newest information or changes in the machines.
3. Short turn around on machine service or the use of a loaner if needed.
4. STRETCH & SEW has been a Bernina dealer for over 30 years, our friendly staff has over 275 years of combined Bernina machine ownership and has been awarded District Dealer of the year twice, 1997 and 2002.
5. Computer lab assistance for your convenience.
6. Bernina is our “ONLY” choice for sewing machines because we at STRETCH & SEW want quality, precision and dependability when using our fabrics, & wonderful threads to create our projects. The staff provides endless support to build up confidence in the use of your Bernina sewing machine. You can call us, e-mail or come in for personal help. If you need assistance when the store is closed, you can call Judy at home.

Total value of preferred Customer package: From \$299.95 to \$849.95(depending on what machine you purchased) Package includes:

- **FREE service for one of your sewing machines or serger for a year (value \$190.00)**
- **FREE Mastery Classes (repeat as often as you want, Value on back of sheet)**
