### PLAYPEN

Instructor: Sandy Goforth

So, what is Playpen? It is a fun place to come and play with others who share your quilting passion. The class chooses the quilt project. Our current project is a choice of two quilts. The first is doing a STACK & WHACK. Second is doing a KALDIESCOPE QUILT. If neither appeals to you, bring a project that does. You will receive loads of encouragement as you tackle any of the projects.
