We have photos of all of them on our website, too. Supply lists are available when you register, but we in the process of posting them on our website so you can see more info in advance. **Our next Open House is Saturday, May 28 at which time we will have updates to the June calendar as well as July and August classes and events.**

Many of you have asked about **Longarm classes and rental of the BERNINA Q24**. The answer is 'YES' and the classes will begin in May. We will work with 2 students at a time, a 3-hour class to include 1-hour of the machine basics and 2 hours of guided practice. Rental of the Q24 will only be available to persons having successfully completed the class. Come in or call for more information or to register for class.

We have already scheduled the Kids Camps for this summer, additional classes may be added, as needed:

Kids Advanced Quilt Camp - July 25, 26, 27, 28 and 29, 2016 This class is for kids that have taken our Quilt Camp before and are ready for the next step. Have you heard about our **Quilt R & R at Sea?** Yes, we set sail September 1 to September 10 from Baltimore to Boston, Portland, Bar Harbor, St Johns in New Brunswick and Halifax in Nova Scotia and back to Baltimore. We are planning a Mystery Memory Quilt, but you can also stitch up Row by Row patterns or totally do your own projects. With 3 days at sea during this 10-day cruise we will have plenty of quality time for stitching. The conference room is available to us 24 hours a day during the entire cruise, so we can also stitch prior to, during and/or after port visits. And into the wee hours...**call me.**

The 2016 Row by Row Experience begins June 21 through September 6, 2016. This year's theme is **Home, Sweet Home!** It will be fun to see everyone's creative take on it. We will be doing some Row by Row shopping in our quilt cruise ports.

Happy Spring!
