Dear Sew Much Fun! Customers,

April 1st is Sew Much Fun!'s 9th birthday!!! It is hard to believe it has been 9 years! So much has happened since we opened in the small space across from Mary Jo's. We didn't even carry fabric back then and LOOK at us now. We are planning our first "Sidewalk SALE"! Mark your calendars for April 4th and 5th!

We told you in our last newsletter about BERNINA coming out with professional machines. Some of us are traveling to Chicago for training in April and the E-16 is due to arrive soon after that. We are sooooo excited to be able to offer another service for our customers., Not only are we able to sell and service this machine, but we plan on using our floor model to embroider on items for customers who don't own an embroidery machine or for people who don't sew, but want to personalize something.

Please join us for the 5th Annual Mid Carolina Shop Hop—June 7th, 9th through 14th. We have some terrific prizes this year: Featherweight Sewing Machine, 2 Nights (for 4 people) at a sewing retreat, a fat quarter tower, and each shop will have a "themed" basket of goodies valued at \$150. Of course Sew Much Fun!'s basket is themed around games—having so much fun!

Speaking of keeping up—the best way to stay informed is to "Like" Sew Much Fun! on Facebook. Not only will you hear about events and sales first, you will get to see what our customers are making on their sewing machines! Here is how to log on: www.facebook.com/SewMuchFun

Please let us know if there are classes you would like to see in the future. Our teachers love what they do and want you to love taking their classes! Remember, if you see a class you want to take, but the scheduled time isn't good, you can **create your own class** by getting 4 or more sewing friends together. The teacher will coordinate the classroom, your schedule, and her schedule to help make the class happen for you!

Hope to see you often at Sew Much Fun!
