1. If a class is full you may have your name placed on a waiting list in case a student cancels.
2. No make ups on sewing classes. If you miss a class or need additional help you can make arrangements with the class instructor at her professional fee.
3. Please be considerate of others. Do not bring children to class, wear heavy perfume or use cell phones during class. Please be on time for class or better yet, come 15 minutes early to set up your sewing space. Classes begin promptly at the scheduled time. If you are unable to make the class session, please call so we will know not to expect you.
4. We do have class maximums. These may vary with the class being offered. Register early to avoid having to be placed on a waiting list.
5. The use of cell phones is disruptive to other paying students and instructors. Please wait until class breaks or step outside for calls.
6. Please mark your calendar with your classes. We do not make reminder calls. We will call if a class is cancelled or changed.
