Complete schedule will post August 5th		First week of league play - August 12th

Women's League

July 30	Field #4
7:00p 8:00p	Stonehaven vs. Timberwood Timberwood vs. Stonehaven

- All players must be on team roster to play.
- Teams will play 12 league games.
- Must have uniforms by Sept. 2nd. Week two and on - players that do not have jerseys will cause a point to be awarded to the other team at the start of the game.
- Field #1, the mesh net above the left field fence will be considered part of the fence. A ball must clear the net to be a homerun
- Homerun rule, One-Up. A home run when one is not allowed will be a dead ball out.
- Defense (all Outfielders) must play behind the painted line when women are batting. Cannot cross until the ball is hit. Women batters only rule. When a male is batting the infielders may play on the grass.
- Line Drives up the middle that hit the pitcher will result in a deadball out. Grounders or balls that are gloved are not outs. Umpire will inspect bats after the pitcher is hit, if issues are found the bat will be removed by Rec. Staff for the remainder of the evening. If the umpires feels that the batter is trying to hit the pitcher, or hits the pitcher an ejection will be issued.

8. **No bat warmers, rolled or shaved bats. You will be ejected.**
9. **Don't be a moron. No one is coming to the park to get in a fight. Come to have fun. Don't argue, swear or cause issues with the other team. Or your team.**
10. **Rosters will be frozen after Sept. 4th, get all players listed by the deadline.**
11. **Teams may play with more women than men. No automatic outs.**
12. **When a male is walked, the female batter is encouraged to still bat. If she does bat the male will only be awarded 1st base. If you truly walk men to get to women in the line-up you should play in a different league. We do not want you.**

13. **All bats must have the 2012 USSSA bat stamp or 2012 NSA Stamp. No stamp on bat, bat is no good. An out will be called for batters entering the batter's box with a non stamped bat.**

14. **Swearing and foul language are not welcome at our park. Our league is successful because it is fun. If you are a problem in following human standards and rules you will not play here.**
15. **Ball Limit. You must chase your homerun balls. Games will have a 4 ball limit. 2 of each size. So hit them and get them back in.**

16. **No smoking in the park or near the neighbor houses. Go to the parking lot. Once the neighbors get mad we will not offer a league. E- Cigarettes are not allowed in the park either. Really! If your team has multiple warnings and issues for smoking, you will not play in the Post season tournament.**
