Worth the drive from anywhere!!

Hello!! I hope you have all enjoyed your summer! I did. I always enjoy the “growing season” but it is unfortunate it interferes with my sewing. I find myself a bit behind schedule.... I have been working on new samples and blocks for our new classes, clubs and block-of-the-months. I am looking forward to the big reveal on September 27th!! I am so excited! We have some REALLY fun projects planned. I like it to be a surprise, but this time I did give a big tease on page 5. You’ll want to come and check everything out - sign up early to save your place! We have something for everyone. A series for beginners, an appliqué quilt, an adorable perpetual

calendar, one of Sue Spargo’s patterns, a pre-cut class.... and LOTS more!! So take a minute, sit back, look through the calendar, make some notes for the events you want to attend, and I’ll see you soon!!

Cindi

P.S. Just because 18 classes in a month is not enough... I should mention I am hosting a fun Mystery on my blog. No charge, lots of fun.... it will start October 1st. Go to penandpatchwordpress.com for details.

New Online Tutorials:

Brianna and Cindi are committing to at least two new videos every month. They are free and found at our website - right on the front page.

September is "Fusible Appliqué Basics"; "Chenille Made Easy"; and "How to Properly Stuff a Pincushion." Let us know if you have suggestions for other videos you would like to see.

Is there such a thing as too many pincushions?
Of course not!

Join us for Pincushion Club. **Once a month \$14.99.** Class includes pattern, kit, instruction and cookies!

We are still working on Spring/Summer block-of-the-month classes.

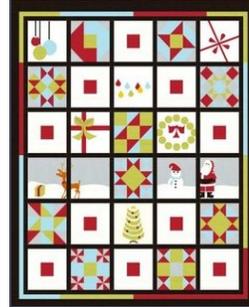

Bertie's Year patterns and kits are still available for those of you that would like to participate. These are little folk-art flannel quilts made for each month of the year! Each month for 12 months we have been making one 13" x 17" quilt using piecing, appliqué and embroidery techniques. The kits are just \$24 each and include backing and binding.

We also have the embellishment packs and a collection of six 77-yard balls of size 8 Presencia pearl cotton. This little bird and her antics are so cute and perfect for both beginners and the experienced quilter! It's great to have a new small project every month!

Rainbow Garden is our beautiful wool appliqué quilt by Heart to Hand. This easy but striking quilt is wool on primitive cotton backgrounds. We are stitching wool appliqué with embroidery and beaded embellishment. This fully washable quilt is 64" x 74" when done. Patterns are still available and class notes are on the blog. We are on block #6.

Merry Meets Modern is a fun Christmas quilt using the ultra modern "Bella Solids". There are 10 pieced blocks, 10 appliqué blocks and 10 setting blocks. Four classes left!

The art of quilting is rich in history. There are women who blazed the trail before us, leaving us with quilts and remnants of both fabrics and stories of how they lived, and what quilts meant to them. You are invited to join a unique monthly club that will take you on a journey back in time. Gather together as the "Prairie Women" did, and hear anecdotal stories about their quilt making, and what daily life was like for those who traveled by wagon train on the Oregon Trail. At each monthly gathering of the **Prairie Women's Sewing Circle**, you will receive a small reproduction quilt project pattern that will allow you the option to share in the unique "Make-Do" quilting experience. Monthly patterns and other surprises will be offered exclusively to PWSC club members! Club meets one Wed eve/month for 6 months and is only \$60 for all patterns, prizes and classes. **A new series starts the first Wednesday in October!**

Blockwatchers is a fun club with a new focus every year. This season we will continue to concentrate on our round robin class/exchange. It is a fun way to learn interesting border techniques and get a special quilt finished by friends!! You bring a center block/panel and 6 half yards of fabric that you would like used. We "swap" each month following a discussion about great border options, repeating this process each month for four months. When you finally see your block again... it is a lovely wallhanging or quilt!! This is a fun way to get a project completed... by someone else!!

Class size limited to 12. Only \$20 for complete 4 month series!! Not appropriate for beginners.

We love fusible appliqué projects! Super simple, but stunning results, all in four easy steps: trace, iron, cut, iron.

Snow Buds is by McKenna Ryan. It is nine 14 inch blocks that can done individually or sewn together into a big winter quilt.

We still have patterns available. Our classroom series ends in November.

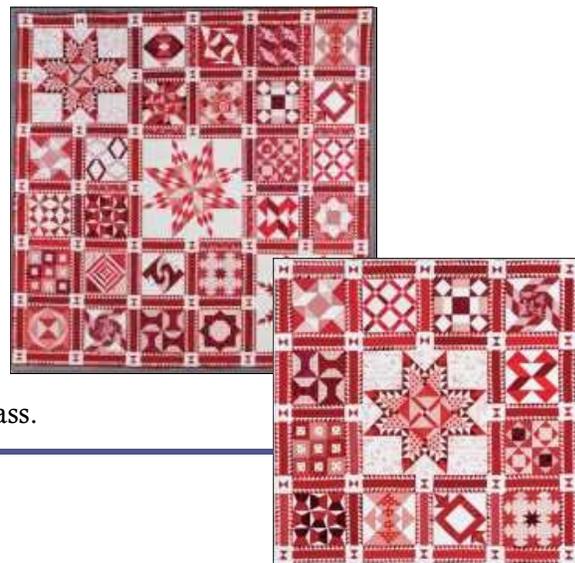

\$5 QUILT STARTING AGAIN!!!!

Our last two \$5 Quilts have been odd sizes - we did a 5" block, then we did a 14" block.... so much fun!?!?! Now, back to our standard 12" blocks. We will demonstrate 12 blocks, as well as bonus blocks that can be used for king sized quilts and setting options (see inset).

Fabric requirements are 2 yards of background and a 6 half yard cuts that are light to dark in the color you prefer. We will have specially packaged kits available at our first classes.

Stop in for a set of rules. Pay \$5 to join, then every class and pattern will be free as long as you complete your block and come to class... on time! Several door prizes at every class. Grand prize at last class.

You may have noticed only three of the fourteen new clubs have been definitively scheduled. This is because we always wait until participants sign up. It is important to make sure we pick a day and time that is convenient for all class members - because it doesn't matter to us. Evenings, afternoons, mornings.... Tuesdays, Fridays, Saturdays...we just want the class to be the time that is convenient for you. It would be tragic for you to have to skip a desired class because it was scheduled for a time you were unavailable. Sign up for the class you want - but act quickly so we get the time you would like. **Open house is September 27th**, club series dates and times will be determined by October 1st. The complete BOM flyer will be emailed at the end of the day on September 27th so you won't miss out if you are busy, however, special gifts and pricing specials are for attendees, first come ... first get.

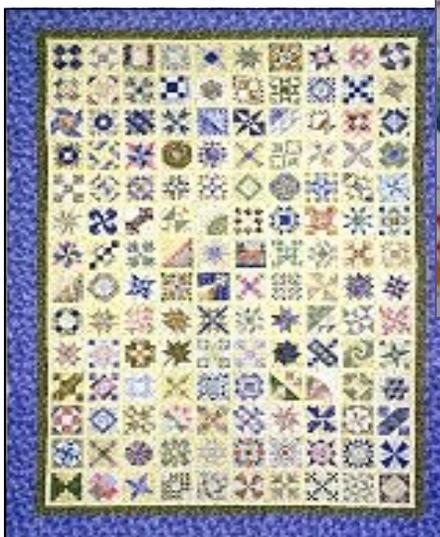

We have 14 new Block-of-the-Month Clubs starting in October. We are so excited!! Lots of brand new ideas including an exciting \$5 quilt, fabulous wool, a perpetual calendar, a bench pillow of the month, a beginners series, a pre-cut club, a technique of the month club, a long arm club, a ruler series and much more!!

You may recognize some of these pictures... come down for the full reveal on September 27th from 10am - 3pm for sign up specials!

(Remember all classes have a minimum and maximum number. Come early to ensure a place in your favorite class - don't miss out!!)

Christmas Open House

This year we will revisit our '10 gifts for under \$20 in less than 30 minutes' in the classroom on both Friday and Saturday. No need to sign up, no charge, just pop in, check everything out. Get some easy, quick ideas!

We will have a gift bag for everyone, and a door prize drawing both days.

Of course we will also have our usual cookies, coffee, tea and demonstrations, as well as free coupon books with every purchase (see back page).

This darling row quilt will be completed in one day!! This is a bright Christmas quilt, 68" x 72", completed just in time for Christmas cuddling. This is a perfect class for a beginner who wants to learn two new techniques, an experienced quilter will enjoy the speed of piecing a quilt like this, and all of the extra gift items that the pattern comes with!

We are hosting this class at the retreat center, where we will serve you lunch and snacks...

Class is only \$35 which includes instruction, pattern booklet, lunch, snacks and beverages.

Complete fabric kit available in two different colorways for \$54 which includes binding.

For the past 15 years we have scheduled over 2800 classes. Unbelievable isn't it!! How many have you taken?? I try to teach everything that is requested, so if your favorite techniques or events have not shown up, please speak up. You can see me in the shop or email me. We can easily add to the calendar, and of course if at least three do not sign up, we will take it away. We have found that our quilters generally like to be in a "club" or series so they can develop friendships and a sense of community, and we certainly like that too!! However, there are some clubs that are monthly, but priced individually so you can just come occasionally, these include Pincushion Club and the Pre-Cut Association; where you complete one project that day.

PFAFF MACHINE CHRISTMAS SPECIAL

Pfaff is giving away a 'Smarter 160' machine with every 'Performance 5.0' purchased!! The performance 5.0 is a brilliant machine with many features, as well as the ability to embroider!!! Only \$2999.... and this month it comes with a free starter machine !

Do you need a new machine for yourself? A gift? We know Santa personally!

FABRIC PATCH COUPON BOOK:

We like to “change it up” every so often.... and it is definitely time to make another change...

For 8 years we have offered a “coupon book” with monthly specials. It goes on sale the day after Thanksgiving, only 100 are printed every year. There are changing items in the book, but it generally includes everything from free thread, to free classes, to savings on fabric (red fabric in February... Green fabric in March... etc.). It has sold out every year, for \$9.99.

This year we are giving it away as a Christmas gift. We will start giving it away on November 28th at our Christmas Open House. We will give away all 100. First come, first get. Merry Christmas!!
