

Easier. Faster. More accurate.

Have you ever wanted to make a quilt such as this gorgeous Lone Star or stunning Bear Claw quilt, but decided not to because of the time and effort they require? Or perhaps you decided they were above your skill level and just way too hard??

Let us introduce you to Quiltsmart. An advanced quilt is within your reach with Quiltsmart innovative interfacing products – no matter your skill level!

HOLD BACK NO MORE!

Join us at Sew Worth It in Sarasota, **November 12, 2014 from 7:00 pm to 8:30 pm** for a Trunk Show with Mattie Rhoades, the president and founder of Quiltsmart, and learn how easy (and fast!) it can be to make these gorgeous quilts.

Mattie will be showing -- and sharing -- tons of options for making gorgeous quilts and fun projects the fast and easy way. Quiltsmart innovative interfacing products take the fussy cutting, tedium and worry, out of making advanced quilts and projects.

If you've stopped by the store recently, you've seen the Mondo Bag, which is a favorite of ours. This roomy and comfortable bag features perfectly-matched seams, with easy construction, using Quiltsmart's grid interfacing technique and 2 ½ squares. **One of our lucky attendees will receive a Mondo Bag Kit as a give-away during the event!**

Give Away!

Mattie has so much to share - bags, lampshades, quilts, and pillows! This lampshade for a wine glass totally rocks! You will be amazed!!! Don't miss this exciting event. Mattie is Sew Worth It's 2014 Retreat Celebrity. If your schedule doesn't permit you to attend the retreat, take advantage of this opportunity to meet one of our industry's innovators, and see all of the creative, original samples she has included in her trunk show.

For your \$5.00 registration fee, you'll receive a \$5.00 "Quiltsmart" coupon to use towards any Quiltsmart product. The coupon is only valid at the trunk show. Retreat attendees are welcome to attend the trunk show, at no additional charge.

Call or stop by Sew Worth It today to reserve your seat - registration is limited!
