## WHAT'S NEW IN CALVERTON!

# Pieceful Quilting Poker Run 2015

A Poker Run actually has little to do with poker, beyond using the hand-rankings to score the event. You don't need to know a great deal about poker to take part, other than what beats what in the scoring - and we'll explain all that for you. Essentially a poker run is an excuse to **meet up, travel, and have a good time** at the stops en route. The most popular poker runs thus far have been motorcycle runs, but the format has spread to boats, planes, bicycles and just about any other form of transport you can think of. And now.... Quilters!

And most importantly you will definitely have fun along the way. So get your date book out now, seating is limited, so here's the schedule.
