

# HOOP SISTERS

The Tradition of Quilting With a 21st Century Twist!

All you need to know.

Pieceful Quilting will be doing the HOOP Sisters SEWN SEEDS Block of the Month program beginning in November. We will be doing the **SAMPLER SIZE** quilt BUT YOU MAY CHOOSE TO DO THE PREMIER SIZE QUILT if you wish. You will get embroidery files to do either one. (You may even decide to do one side now and the other size at a later date. All up to you)

There is a \$20 sign up fee for this program and then there will be a monthly fee of \$35 for each of FIVE months. If you would like to pay for all at once we will waive the signup fee and you will pay only \$175. There will be a class once during the week and once on the weekend for each of the FIVE MONTHS. This will be a lecture demo where Scottie, the Empress of Embroidery will explain how to do the blocks for that month. Scottie will download the designs on to YOUR Flash drive. We recommend that you purchase a flash drive (Yes, we have them) for this purpose only, so that all your designs will be in one flash drive.

In addition to this lecture demo, we encourage and invite you to attend our FREE Friday Sit and Sew sessions where you can bring your machine and work on your Hoop Sisters quilt.

When you sign up for Hoop Sisters you will receive the Fabric and Thread Key (supply list) for either the Sampler or the Premier Quilt. Then you can decide on what colorway you will be making, the size of the blocks you will be doing and choose your fabrics, batting and thread. You can order battillizer and wool batting from us and we will make sure you have it in time for class. The SAMPLER quilt has OPTIONAL BORDERS that you may choose to purchase to make your quilt a bit larger. The fee for the optional borders is \$69 for a CD with all you need.

This is an absolutely stunning quilt and will be gorgeous in which ever colors you choose. We're here to help with that as well.
