

## Block of the Month 2016

Sign up for our **Block of the Month Club** for 2016! We will be making 12-inch finished sampler blocks. Our colorways for 2016 will include delicate purples and greens; or dark Jo Morton prints. Quilt designer is Monique Dillard from Open Gate Quilts.

### Here is how it works:

♦To join our Block of the Month Club, pick a colorway, complete your registration form, and pay a **\$15.00 registration fee**.

♦We will introduce each month's block with a short demonstration of block assembly, tips and techniques, and show off new items in the shop. Demo times will be held on Wednesday at 3 and 5:15 PM, Thursday at 12, 4 and 5:30 PM, Friday at 12 and 2 PM, and Saturday at 10 AM. You can select which demo time to attend, and can change your time from month to month, to suit your needs. (See back for list of monthly demo dates) *Additional sessions may be added, depending on participation.*

♦You DO NOT need to tell us which time slot you will be attending.

♦Attend the demo each month. Your BOM kit will include the fabric needed to assemble your block, complete instructions, and info about upcoming classes and events at Fabrics Plus. Go home and make the block. Attend the next month's meeting and get your next kit for FREE! (For example, come to any February meeting and get that block for free!)

♦If you attend each monthly meeting, you will have 12 completed quilt blocks for just \$15.

### A few conditions:

♦**To get your free kit, you must personally attend a demo. There are NO exceptions!**

*Please, do not send friends or family members to pick up your block. You do not need to show us your completed block to receive a new one, but if you do, you will be eligible for a variety of*

drawings! A great incentive to get it done!

♦If you can't attend you can still purchase that month's kit for \$7.50 (plus tax) and start over again. Attend the next month's demo, and your next block is again free. (Kits will not be available prior to the first session on Wednesday.)

♦If you choose to drop out, please call to let us know. We are preparing kits each month and we need to have an accurate count. If you will be unable to attend for an extended period, please let us know as well, and we will hold your blocks for you.

♦If you require additional fabric to complete your block due to cutting or piecing errors, **you can purchase an OOPS Kit for \$25**. Your kit will include one-eighth yard of each fabric used in the blocks, plus a fat quarter of background fabric, and a coupon for a FREE block to be used during the year. This is a great way to insure you don't run out of fabric during a sewing session! If you elect not to purchase an OOPS Kit, individual fabric pieces may be purchased for \$1 each (plus tax). Oops Kits may sell out — please order early to ensure availability!

♦If you want to make the block in more than one colorway offered, you may. Quantities may be limited.

♦**Snowbird?** Talk to Cami or Tracy to see how you can participate!

♦**Show and Tell** - We also encourage you to share your projects with other club members, no matter what your skill level. Bring a project to share and receive a chance entering you in our BOM Show & Tell Drawing.

♦**Finishing Kits** - We will share several finishing ideas for your blocks. You may use our ideas, or create your own, then purchase fabric to fit your needs. Focal fabrics are not available for purchase until January 2017. Plan to select your fabric early, to ensure availability.
