MESSAGE FROM THE MAYOR:

The Holiday season has arrived with all of its traditions and expectations. It is a time to participate in the special events of the season. In Milliken, this means the Parade of Lights and Breakfast with Santa. These are fun community events that can be shared with the whole family.

It is also a time to reach out to others in your family and your community. The holidays bring special opportunities to share with others. I hope we, as a community, can help others as our year draws to a close. Perhaps this means giving a new toy to Santa Cops program, a donation to the Weld Food Bank, volunteering at church, or simply helping a neighbor shovel their walk. Whatever we do to reach out to others will make our community stronger and bring our citizens closer together.

Barb and I wish you all of the joys of this season and hope you find a quiet time to experience its special peace. We wish you a very Merry Christmas and Happy New Year.

Milt Tokunaga, Mayor
