Happy Mother's Day!! Sunday, May 12 Feliz Día de las Madres!!

Message From the Mayor: The Colorado Department of Transportation (CDOT) has moved their scheduling for work and major upgrade of Broad Street/Highway 60 to 2014. This is a great opportunity for Milliken to accomplish one of its long term projects, which is the improvement and upgrade of Highway 60/the Broad Street downtown business district corridor. The initial phase of the project will be the overall design of this corridor. A grant from the Colorado Department of Local Affairs (from gas and oil impact fees) has been awarded to the town for up to 25,000 of the design work. Britina Design Group from Arvada, Colorado will design guidelines and plans for the project. Their plan includes:

- *an understanding of the values of the overall community
- *potential hard/soft costs of proposed planning and design improvements, including strategy for funding the costs of the proposed improvements and long term maintenance costs
- *streetscape improvements
- *construction design for each phase of the project

Included in Britina's plan is a public outreach and communication phase for the conceptual design. The manager of the project will have meetings and presentations with all participants and members of the Milliken community. In the subsequent month you will be asked to communicate your thoughts and ideas on this project. We encourage each of you to be part of this process.

PET VACCINATION CLINIC—Saturday, June 15, 9:00am—12:00pm

The annual Pet Clinic is scheduled for Saturday, June 15, 2013, 9:00am to 12:00pm at the Milliken Fire Station on South Irene Avenue. The Milliken Animal Clinic staff will be on hand to vaccinate dogs and cats. Rabies and distemper shots are each \$10. Milliken's Pet Clinic last year was extremely successful, vaccinating nearly 200 animals. Town staff will be on hand to handle dog registrations and renewals. Take advantage of this opportunity!

Reminder: All dogs older than 6 months must be registered annually with the Town.

Milliken Home Improvement Program

Administered by the Housing Authority of the City of Loveland. The program offers up to \$25,000 for home repair to low and moderate income families. These are loans made on a sliding scale based upon a family's income and we can be very flexible with the monthly payments and in some cases we can defer the loan to sale of the property. The repairs should be focused on any health and safety issues, energy efficient modifications and handicapped accessibility. To find out if you qualify call Amy at 970-635-5931 or visit our website at www.lovelandhsg.org.

The Town of Milliken has applications available as well.
