TOWN OF MILLIKEN PAVING PROJECT

The 2012 Streets Improvement Project will begin next month and will include a Top or Second Lift of Asphalt on Alice Ave. South of Hwy 60 to the Centennial Farms Subdivision south of Inez Blvd. (CR46), Inez Blvd. from Alice Ave. to Irene Ave., and Irene Ave. south of Inez Blvd. The Town will announce traffic closures and detours as soon as Coulson Excavating of Loveland provides a construction schedule. The Town is also in the process of 'crack sealing' and 'patching' various streets around town.

For more information please contact Caree Rinebarger
Town Hall at (970) 587-4331 or visit
www.millikenco.gov.

MESSAGE FROM MAYOR MILT TOKUNAGA

I have been asked about the Boulder Scientific site, the expected completion of the buildings and when the manufacturing and research and development facility will begin operations. The site located on the northwest corner of Hwy 257 and Hwy 60 will be built in phases and eventually ramp up to 50 employees. I have arranged for Scott Birmingham, CEO of Boulder Scientific, to be in Milliken at the Milliken Meeting House to describe the operation, the time table for build out, and answer questions and concerns citizens may have regarding the facility. He will be here on Saturday, November 17 at 10:00 a.m. If you are curious about the facility and have questions, please plan to attend the presentation by Scott.
