QUILT ASSEMBLY PAGE 2

Thin border -

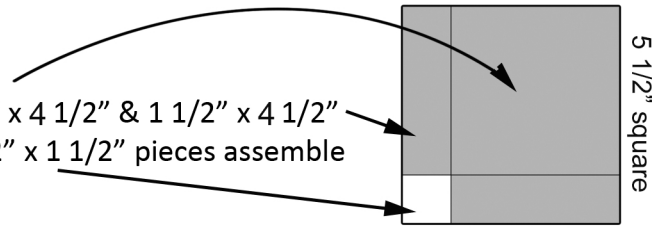
Sew the Squiggles Ruby Red 1" wide strips together, end to end to create 2 lengths of 58" (sides), and 2 lengths 45" (top and bottom). Sew the 58" long strips to the sides of the pieced quilt. Sew the 45" long strips to the top and bottom. Trim the seams. After it is pressed ***trim these border strips to 1/2".***

*It is important to make the pieced quilt match up to the strip measurements so that the Dimensional Flying Geese strip will fit correctly.

*The reason for starting with a wider strip and cutting it down is that it's easier to get a true 1/4" finished strip.

Border Corners -

Using the Winter Berry Toss Rosy Red 4 1/2" x 4 1/2" & 1 1/2" x 4 1/2" pieces and the Squiggles Baby's Breath 1 1/2" x 1 1/2" pieces assemble 4 of the border corner blocks as shown.



Borders -

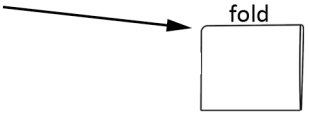
Sew the Winter Berry Toss Rosy Red 4 1/2" wide strips together, end to end, to create 2 lengths of 44 1/2" for the top and bottom and 2 lengths 58 1/2" for the sides.

Dimensional Flying Geese: ***USE EXACT 1/4" SEAM ALLOWANCE***

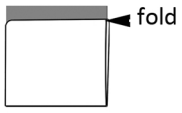
Using the 8 Winter Berry Rosy Red 1 1/2" x 1 1/2 and the 98 - 1 1/2" x 2 1/2" pieces, together with the 102 Squiggles Baby's Breath 1 1/2" x 2 1/2" pieces, create strips of Dimensional Flying Geese following the steps below.

#1. Start with 1 red 1 1/2" x 1 1/2, 1 light 1 1/2" x 2 1/2" and 1 red 1 1/2" x 2 1/2"

#2. Fold the light piece in half with WRONG sides together.



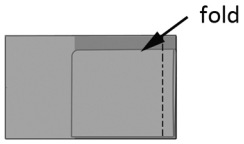
#3. Place the folded light on the right side of the red 1 1/2" X 1 1/2", matching up the right sides and the bottoms.



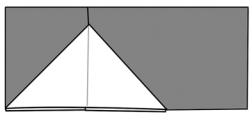
#4. With right sides together place the red 1 1/2" x 2 1/2" on top matching up the right sides and the bottoms.

#5. Using a 1/4" seam allowance sew along the right side.

*the diagram shows a transparent red 1 1/2" x 2 1/2" so that you can see how the layers are positioned.



#6. Open the the bottom of the light piece and flatten to form a triangle. Press.



#7. Place another light folded piece on the end of the red 1 1/2" x 2 1/2"
