Hi Everyone,

It is with great excitement and pride I share a glimpse of what we have been planning for the year 2013! Olde City Quilts will be welcoming "The Strata Girls" and Paul Statler in February, Linda Hahn, Lisa Sipes and Ro Gregg in April, Alex Anderson in June, and Sarah Vedeler in August....to name a few! Please watch our website and facebook page for details on these special events. We continue to expand our interests, exploring more window treatment & Home Dec classes as well as introducing Heirloom sewing! We have also restructured our Bernina classes and have planned several special Longarm Events throughout the year. We hope our beginner classes and special technique classes will continue to inspire you. My plan is to send monthly newsletters to keep you informed of upcoming events. As I reflect on the journey of Olde City Quilts, I am humbled and grateful for the support of our customers as well as our fantastic staff, without them none of this would be possible. I'm sew excited for the future!

See you at the Shop! *Judy*
