Olde City Quilts is pleased to host this Paper Piecing Retreat with special guest instructor, Jacqueline Kunkel. "Jackie" has been a quilter for more than 20 years, and paper piecing has been a passion for her for a long time. After taking a class with Judy Niemeyer, Jackie decided to combine her love of paper piecing and Judy Niemeyer designs and become one of Judy's Nationally Certified Instructors.

Join us at this retreat where you will work on a Judy Niemeyer Feathered Star design. This design has a waterfall effect of feathers that can be turned into an endless combination of colors! With no curved piecing and larger fabric pieces, the process of putting this quilt together is easier than you may think! And, of course, even easier with Jackie's help!
