Judy Hansen’s passion for art and all things sewing has led her to a place in her life that is full of both! Owing the Quilt Shop of DeLand, in DeLand, FL has been her absolute joy! Quilters’ from all over the world, come to visit her shop & enjoy strolling the boulevard of the quaint historic district of DeLand, FL. Judy’s shop is a gallery of quilts, inspiration, hand’s on displays & a friendly, helpful staff.

Judy’s other accomplishments include, authoring three books on quilting and over 75 patterns. And her latest love affair is designing fabric! She has a relationship with “Fabri-Quilt, PaintBrush Studio”, designing bright colorful fabric lines: “Bella Flora” & “Radiance”. Her book, “Antique Christmas Memories”, influenced her two Christmas lines. “Radiance” was released in summer issue of “Fons & Porter”, “Love of Quilting”, and “Christmas Runner” in Dec. 2011. “Radiance” & “Christmas II” will be upcoming issues of “Fabric Trends”. Her newest lines: “Christmas Traditions 2012” and a fun whimsical, colorful line: “Garden Whimsy Spring 2012”. And “Cook’s Little Helper” — perfect for quilting & cooking with grandkids! Judy enjoys teaching at guilds & demonstrating machine quilting at Quilt Shows. Judy taught school for 20 yrs before opening the Quilt Shop of DeLand and this led to her passion for hand’s on displays & demos in the shop.
