

Hollyhocks Quilt

This quilt is an excellent way to combine a beautiful panel with easily pieced blocks to produce something truly spectacular. The finished quilt as shown here is approximately 60" x 72". If you have two or more panels, you can use them in the center of the quilt to make it even larger (more fabric will be required for the blocks, borders, binding, and backing).

- ☛ Fat Quarter Fun, Trois pattern from Dragon Lady Quilts
- ☛ One 24 1/2" x 36 1/2" panel. A smaller panel may be used as long as you add coping strips to make it the necessary size
