

Plastics – Metal Cans – Aerosol  
Soda Bottles – Aluminum Foil  
Glass – Cardboard – Cereal Box  
Paper Board – Paper – Junk Mail  
Newspaper – Magazines – Books  
File Folder – Egg Cartons  
Paper Bag

All items must be free of any food residue before putting them into your cart. Do not bag recyclables. Do NOT put plastics bags or Styrofoam. Shredded paper can be placed within a bag. Do not put clothes or shoes. No dryer lint. No fireplace ashes. Glass from a table top cannot be recycled. If you have to question whether it is recyclable, then it probably should not be put in the recycle cart.
