## CRAYONS & MORE CRAYONS...

### 2015 UPDATES

February already? WOW where does time go?

Lot's of new changes and new patterns 2015. Where to begin?

**Patterns:** Each month we have at least one new crayon pattern release. February release is "In Memory of Our Troops." We are working on the "Western Album Collection" workbook. Plan to release in March.

**Classes:** Anyone can color on fabric. HOWEVER, to achieve the special effects and texture Tana has in our patterns, we strongly recommend a class to learn how.

We have several classes scheduled throughout the year and they are listed in this newsletter.

**Studio:** Tana is very busy outside of the studio with classes and events. It is not possible for her to be there regularly. We did not close the studio, but we did reduce it to suite only.

**Clubs:** We now offer Crayon Club. Currently not having any regular meetings. Our calendar is FULL for 2015. We are booking events for 2016.

**Programs:** This year we are offering two NEW programs; "Let's Color!" Basic Hot Blend Techniques and "Cops 2 Crayons" speaking about

month throughout the year. For upcoming program locations see inside newsletter.

**Fabric Line:** Western Denim & Dirt is proud to announce that our first line of fabric, "Western Album Collection" by Blank Quilting is FINALLY shipping now to your favorite quilt stores.

This year Tana will have several fabric lines to include:

"Y'all Be Merry"

"Spooktacular Halloween"

"Western Album II Collection"

"Kountry Kiddos" Storybook

And a few more...

Tana is currently working on 2016 fabric lines to include Native American and In Memory of Our Troops Collections. A brand to remember.

As soon as we receive ours, we will have an "Open House" event so you can come by the studio to purchase fabric and see the original artwork.

Can't wait? Order online today and it will reserve your fabric.

**Meet the Designer & Fabric Signing:**

What is this? We are offering this special event for Quilt stores throughout Texas, that purchase our fabric line and would like to do something for their customers. We schedule the event. Then we take the
