Sit & Sew Classes • Truly Unique Experiences

What can be more fun than learning a new tip or technique that enhances your sewing? In each of these classes, you will learn secrets, tips and lessons, while sharing fun and inspiration with other sewers just like you. We are proud to present these classes, and we are sure you'll learn a great deal from each one!

Sensational Serger Sweatshirt

It's always a great idea to bring a sweater or a light wrap to an event because you never know what the temperature will be. We have helped you remember one less item to bring as you will be making a sweatshirt cardigan at the event. You will have a blast with Joan as she leads you through the creative abilities your serger has. Use attachments, feet and threads in ways you never thought possible.

Class includes kit, supplies and use of a Baby Lock Evolution Serger.

Monogram Fiber Art Bag

Monograms are hot right now. Combine this with the fabric you have created using the Baby Lock Embellisher and you have a winning combination. You will explore the effects of combining quilting, and embellished fabric while creating a bag in the hoop everyone will envy.

Class includes kit, supplies and use of a Baby Lock Embellisher and Baby Lock Ellisimo sewing/embroidery machine.
