

## Please join Designs in Machine Embroidery at Ellicott City Sew Vac for The Quilting & Embroidery Mixer!

### Whether you want to quilt a block, a strip or a bed-size quilt, you can do it with your embroidery machine!

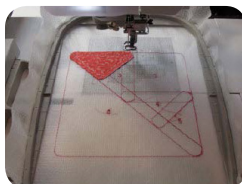

Inspiration Consultant Ashley Jones, embroidery and quilting expert, will share her tips for working block by block or row by row. And when you're ready to tackle the whole quilt, she'll show you a new approach to quilting with your embroidery machine, the shortE – the Embroidery Short Arm with the Long Reach.

**The shortE is THE SOLUTION for holding the weight of the quilt and adding tension on the fabric. No messy stabilizers – just quilt back, batting and quilt top – quilted on your embroidery machine!**

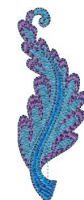

#### Create your own blocks!

Learn how to customize quilt blocks from a library of over 1200 blocks – or draw your own – and transform them into piecing in the hoop embroidery files.

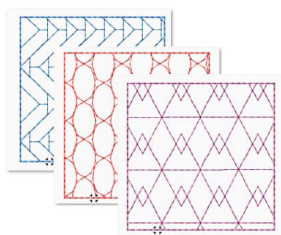

#### Cut your own quilting templates!

Or send the files to your electronic cutter with just a click of your mouse.
