eXcellence™
760 & 730

Indulge in all that Swiss design has to offer – The New Elna eXcellence™.

See what 70 years of superior craftsmanship has forged in the Elna eXcellence™ 760 and eXcellence™ 730. You'll have your choice of hundreds of stitches that sew effortlessly through any fabric and the patented Integrated Adjustable Feeding system™ that make quilting smoother than ever. And with a 9mm stitch width and a spacious 11" + to the right of the needle, you'll be able to try things you never have before.

Your sewing is your indulgence, make it more decadent with eXcellence™.
