

# THE COVEY

QUAIL RUN NEEDLEWORK | Monthly Highlights, Upcoming Events and Shop Details | February 2014

## Our Latest Addition ...

**T**he Covey. cov•ey, noun, meaning: *a small party or flock of birds*. Coming up with the name wasn't hard and it seemed to be the perfect fit each time when narrowing down the selection. The obvious reason, our name. Then, it hit home. I want to say thank you. Thank you to my loyal customers, many to be my dearest friends. Thank you to my staff for helping me each day keep the shop alive, and organized! Most importantly, our customers smiling. You all are my covey. My dearest quails, whom share a common passion, needlework.

Okay, enough of the sappy stuff. Don't worry, *The Quail's Quill* hasn't gone anywhere, and will arrive in your inbox mid-month. I needed an additional outlet to share the news of shop details, inspiration and features so you didn't miss

anything. Our ever-changing creative world!

Speaking of details, you'll see that February is filled to the rim with something to do or see in the world of needlework on our current calendar. Several classes will be here at the shop, and spots are pretty much full. So, this gives us a jump start on March and it's adventures. I'm throwing in a special surprise for all of you early birds!

I'm stocked full of new products that I feel are must-haves for any of you. And, always love showcasing everyone's finished work. Throughout, click on any of the links for additional information. Call the shop with any questions or visit us online. I'll let you get to it. It's short and sweet. Enjoy!

## Home Sweet Home

**Simple.** We love Sherry Bray. She was here a few months ago and we just had to have her back as soon as possible. Well, guess what? She's back! Let's all enjoy a weekend of embellishment. And laughs and chit-chat.

Every needlepointer's home should have this hanging in her stitching room! You will personalize this canvas with your own colors for the house and

embellishments to suit your decor. How fun is this to replicate your house or favorite vacation spot on a canvas. It's a great way to create lasting memories that hang on your wall versus photos only. Especially when you're known to live and sleep stitching! Or hey, a pillow might be a better keepsake!

Space is limited, call the shop for additional details. And don't miss out on the "early bird" special.
