1.3m for border and binding  
3.4m - Backing  
1.7m - Batting

## **Cutting:**

### **From the beige fat eighths cut:**

21 - 9" x WOF strips  
Subcut into:  
42 - 9" x 9" squares

### **From the border / binding fabric cut:**

6 - 4-1/2" x WOF strips - border  
7 - 2-1/2" x WOF strips - binding

### **From the 7" squares in various colors:**

Trace the circle template onto a piece of freezer paper  
Iron the freezer paper circle onto a 7" square  
Cut the circle out, using the edge of the freezer paper as a guide  
Peel the freezer paper off and reuse it to cut out 42 circles from the 7" squares

## **Piecing:**

Place a circle in the centre of a 9" beige square, don't worry too much over whether or not the circle is perfectly centred. The charm of this quilt is in the 'non-perfection!'

Using a beige thread, sew using a 1/4" seam allowance all around the circle  
Repeat for all 42 beige squares and circles

Cut each of these blocks in half, and then in half again to yield 4 squares with 1/4 of the circle in each square  
See diagram #1

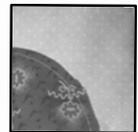

diagram #1

Mix these squares up and randomly sew these squares together into sets of 2, making a half circle. Press.  
See diagram #2

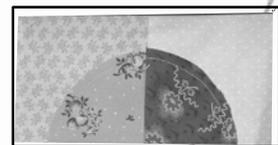

diagram #2

Sew the half circle sections together to make a full circle, ensuring that each quarter section is a different background color and different circle color. Press.  
See diagram #3

diagram #3

Lay out these blocks, 6 across and 7 down.  
Sew the blocks together to form rows. Press.  
Sew the rows together to make the quilt top. Press.

Sew the 4-1/2" border strips end to end to make one long strip  
From this strip cut:  
4 - 4-1/2" x 56-1/2"

Sew the 56-1/2" strips, one to each side of the quilt. Press. Sew the 56-1/2" strips - one to the top and one to the bottom of the quilt. Press.

Baste, quilt as desired and enjoy!
