

VIRTUAL CLUBS ARE FOR EVERYONE!

Are you looking to expand your sewing, machine embroidery, Software 7, or DesignWorks knowledge? Do you just want to try something new or maybe make some new quilting/sewing friends? Then our Virtual Clubs are for you!

You DO NOT need to own a Bernina to sign up for our clubs – everyone is welcome.

Our 2015 Virtual Clubs consist of 4 separate clubs, exploring 4 areas – sewing, machine embroidery, Designer 7 software, and DesignWorks. The clubs are called ‘Virtual’ because the classes are prerecorded by Bernina’s education department. One of our staff will be leading the class when it is held in our store.

Please call to reserve your spot. Below are the details for the clubs.

BERNINA CLUB

This club will help you continue your education on all things related to basic and creative sewing and quilting! In every class you will explore different sewing techniques while working with vinyl, zippers, appliqué, home décor, mug rugs, bags and more. While these sessions are geared towards BERNINA machines and accessories, we welcome all sewers no matter what machine brand you own.

ALL ABOUT EMBROIDERY

This club will explore Machine Embroidery education relevant to ALL brands of machines & ALL levels of experience. Brush up on your skills or learn something new. These classes will cover a number of fun projects including wine bags, wallets, recipe towels, vests, pincushions and so much more. Attendees go home with inspiration, ideas, and new designs!

SOFTWARE INSPIRATION

Fun, virtual training designed to increase your BERNINA software knowledge. This club will teach you more about the latest BERNINA Embroidery Software 7. The classes will delve into the software covering numerous topics!
