Those in attendance were Mayor Pro Tempore Reese, Councilmembers Doutre, Holmgren, Rohde, and Wood, City Manager Shawn Warnke, and Recorder Darlene S. Hess. The following Department Heads were also present: Parks and Recreation Director Marc Christensen, Public Works Director Paul Fulgham, Librarian Kim Griffiths, Police Chief David Nance, and Treasurer Sharri Oyler. Also in attendance was: Zach LeFevre, Recreation. Mayor Fridal was excused.

1. Review of agenda items on the 7:00 p.m. Council Meeting:

The Council reviewed the August 4, 2015 Agenda with the following items being discussed in more detail:

Bicycle Facilities. Manager Warnke noted there have been previously adopted City plans to include bicycle facilities and lanes. UDOT (Utah Department of Transportation) has been contacted about creating bicycle facilities and lanes on Main Street and 300 East. Kris Peterson UDOT Region Director told Manager Warnke to work with UDOT’s engineer and he (being Director Peterson) would find the funding to create the bicycle facilities. Plans have been made with UDOT’s engineer showing the improvements. Garland is in favor of having the improvements continue in Garland on the UDOT roads. UDOT asked to see a map showing the facilities and bike lanes that would go on Tremonton roads showing the complete network. City Staff identified 600 South, 600 North and Tremont Street as bike corridors. The City has signs that will be put up designating the bike corridors. Originally, it was understood that UDOT would pay for the improvements and the ongoing maintenance for bicycle facilities and lanes on Main Street and 300 East (which are UDOT facilities).

City Engineer, Chris Breinholt, spoke with the UDOT engineer recently and found that UDOT will pay for the original creation of facilities and bike lanes on Main Street and
300 East but the City will be responsible for the ongoing maintenance. There will need to be another meeting as it is still unclear what liability goes with the maintenance or if the City would be required to enter into an agreement with UDOT. Director Fulgham stated that the bike lanes would be striped and clearly marked. The bike lanes on Main Street would have to be shared because the road is not wide enough for separate bike lanes. The biggest question the Council had was about the liability.

Councilmember Doutre asked if motorized wheelchairs and small children would be required to use the bike lane if one was available. It was unclear of the requirements. There would need to be some research. Councilmembers Doutre and Holmgren commented that bike lanes are a good idea. Councilmember Rohde is in support of bike lanes and commented that the City should do whatever is necessary to get them in Tremonton as they are a safer environment for bicyclists. Manager Warnke noted that regardless of the outcome with UDOT, Tremonton has the materials to put in bike routes on City roads.

**ULCT Conference.** The Councilmembers are all planning on attending the ULCT (Utah Leagues of Cities and Towns Conference) except Councilmember Wood who is still undecided. Manager Warnke stated that the City Employee Summer Party will be on September 14, 2015 at 5:30 p.m. at North Park. Mayor Pro Tempore Reese noted that ShopKo will be opening in October. Manager Warnke thought it was set to open on October 2nd but he will keep the Council posted of any changes.

Councilmember Rohde asked about the guidelines regulating signage for a home based business in a residential area. It was discussed that a small sign, essentially a name plate, designating the business might be allowed. The sign could not be for advertising and would be very restrictive. Manager Warnke stated that he would review the ordinance and provide this information to Councilmember Rohde.

**Motion by Councilmember Doutre to move into Closed Session.** Motion seconded by Councilmember Rohde. Roll Call Vote: Councilmember Rohde – aye, Councilmember Wood – aye, Councilmember Doutre – aye, Councilmember Holmgren – aye, Mayor Pro Tempore Reese – aye. Motion approved.

The Council moved into closed session at 6:19 p.m.

Motion by Councilmember Wood to return to open meeting. Motion seconded by Councilmember Rohde. Roll Call Vote: Councilmember Rohde – aye, Councilmember Wood – aye, Mayor Pro Tempore Reese – aye, Councilmember Doutre – aye, Councilmember Holmgren – aye. Motion approved.

The Council returned to open session at 6:53 p.m.

The iWorQ software would help create a central database and be able to integrate with an iPad to provide inspection reports electronically.
