

Jesse Esquivel

The Tremonton Parks and Recreation Volunteer Service Award is given biannually to a deserving person in the community who has demonstrated a high level of service to the Parks and Recreation Department. This season's award is presented to Jesse Esquivel.

When it is time to call coaches for Youth Spring and Fall Soccer, the first name we look for is Jesse Esquivel. He never hesitates to put "Yes" on the waiver form to the question "Are you willing to coach?".

He has four daughters that range in age of 7-13 and they are all very good soccer players, because their dad

has taken the time and effort to teach them the fundamentals of the game. Most soccer seasons, Jesse is coaching all of their teams. There are always multiple requests from parents throughout the valley for their kids to be on Jesse's soccer team, because they know their kids will be taught the game of soccer the right way, and they will have fun playing the sport.

Jesse Esquivel with one of the soccer teams he coached this past season.

Even when Jesse was the head coach for the BRHS soccer team, he would volunteer what time he had to coaching his daughters' youth soccer games.

The Tremonton Parks and Recreation staff would like to say thank you to Jesse and his family for their support as they have given so much to the

Tremonton Parks and Recreation Department. Jesse has been a major factor in making our Youth Soccer program better for everyone in the valley. If you see Jesse, please make sure to thank him for all of the time and effort he has put into volunteering for the community.

THANK YOU TO ALL OF THE VOLUNTEERS

To all those who have unselfishly taken the time to coach a team or volunteer in anyway, we thank you, please continue! For those who have not, know that we need you. We understand that everyone is "busy", but if everyone is "busy" then who is

going to take the time for the kids? Don't always expect that someone else will do it. Take an active part in your child's life. If you do you will find that it is fun, rewarding and you will realize you make a difference in so many youth lives.
