

Parks and Recreation Department

Marc Christensen
Parks & Rec. Director

Jeff Crowther
Recreation Coordinator

Lynn Green
Parks Maintenance

Brooke Hawes
Recreation Secretary

Hello, my name is Brooke Hawes and I would like to take this opportunity to introduce myself. I am a new employee of the Tremonton Parks and Recreation Department as the Parks and Recreation Secretary.

I have been involved with sports and recreation my entire life. I attended Bear River High School (GO BEARS) where I played softball and volleyball all four years of high school. I had the opportunity to attend college as an athlete at Weber State University where I majored in Athletic Training and graduated with a B.S. I have always been very passionate about sports and recreation and I hope to bring some of that passion to the Parks and Recreation Department here in Tremonton.

As winter approaches I hope that you take the time to check out all of the wonderful winter recreation programs that

Tremonton has to offer. There are a variety of youth programs to help keep your kids stay fit and active, as well as many adult programs to help keep you active and off of the couch.

In the short time I have been here I have already encountered many wonderful people who have helped out with coaching and volunteering. I want to say thank you to all those volunteers, as well as thanks to all the participants and parents who help make our recreation programs what they are.

We are always looking for more volunteers and new ideas to implement into our programs. Any input you have would be appreciated. I look forward to seeing all the returning participants and welcome new participants to our wonderful winter program.

*Sincerely,
Brooke Hawes, Tremonton Parks and Recreation Secretary*
