Pageant will be held at Shuman Park July 26th, 2014 from 3:30 to 5:30. Practices will be scheduled closer to pageant date. Attendance is required at all practices in order to practice stage patterns and spacing for opening number.

\$25 Entry Fee needs to be paid to Sjanne Lofley with Uptown Gown in order to reserve your spot. We will only be accepting a total of 40 entries due to stage time allotted. 8 contestants in each age category.

All contestants must volunteer a minimum of 2 hours. (or have someone put in volunteer hours for them) In order to make this a great community event we need everyone's help putting it together. Whether it's volunteering to do hair before the event, helping with set-up or bringing a snack to practice. There is lots to do and everyone's skills can be used somehow.

Community Crown-This crown will be given to the girl who collects the most number of items for our community service project. This Crown has no bearing on the rest of the competition and does not affect your scores. Items must be turned in to Sjanne Lofley with Uptown Gown before the pageant date, or at check-in. Our community service project this year is Families Feeding Families. They collect items and food to make lunches and hygiene kits for the homeless. Get your Friends and Neighbor to help you collect items. Please see attached list of the specific items they are looking for.

Royalty will be awarded in each age category. There will also be an Overall Winner. (Highest score from all age groups). You cannot win overall and royalty in your age group.

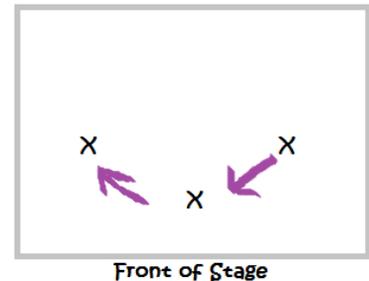

Areas of Competition-

Country Wear-Any type of country outfit that is age appropriate. You will wear this outfit in our opening number and during Onstage Introduction. Make this fun and give it personality. At check-in you will need to turn in 30 seconds of music for you routine. During this category you will judged on stage presence, routine, and outfit.

Onstage Introduction- You will be given 15 seconds onstage to: say your name and anything else you would like to tell the judges. Things like what you like to do and what your aspirations are. Use this time to shine and really grab the judge's attention. You will be judged on confidence, personality, and articulation. You will be wearing you casual wear during this part of the show.

Photo-Prior to the pageant you will need to turn in a 5 x 7 photo. Contestant must be the only one in the photo and headshots or close-up photos are the best choice. Photo must be recent. They may be professional or snapshots. Editing must be kept to minimum. No glamour shots or enhanced images. Photos will be judged on clarity, expression and overall impression.

Formal Wear-You will be given 30 seconds on stage to walk in the beauty pattern shown here on the page. Pick a dress that shows who you are and have fun with it. You will be judged on walk, overall appearance, and smile. After Formal stay in this dress for crowning.

After each division during Country Wear and Formal Wear all the girls in that division will come back on stage together and stand in a line until the judges are done. Please wait in this line patiently until you are dismissed.

General Rules- All areas of the completion must be age appropriate attire make-up and hair. Moves/walks done in Country and Formal Wear must also be age appropriate. Our goal is let our children show their natural beauty and have fun with who they are. No fake hair, teeth, or eye lashes unless they are something that contestant wears on a everyday basis.
