

## NEEDLETURN APPLIQUÉ TECHNIQUE SERIES

### Floral Wreath (Level 1)

Thurs, Nov 4 & 14 - 10:00 to Noon

Learn the needleturn appliqué stitch while making this delightful wallhanging. In addition to learning the needleturn stitch, you get tips for success with points and curves in this two-part class. \$30 plus book

## WOOL

### Beginning Wool Appliqué with Angela Lawrence

Wed, Nov 6 - 10:00 to Noon

Whether you've worked with wool appliqué or not, this class is for you! You'll learn the techniques and stitches while making a pin keeper. \$30 plus pattern

## BEGINNING-TO-QUILT SERIES

### Accurate Rotary Cutting with Carol Wilson

Tues, Nov 12 - 6:30 to 8:30

Before you take a piecing class, learn the basics of rulers, rotary cutters, and accurate and safe cutting techniques. We'll teach you to follow typical cutting instructions for strip piecing. (Prerequisite to other classes in this series.) \$20-no pattern required

### Turning Twenty with Carol Wilson

Thurs, Nov 21 & Dec 5 - 6:30 to 8:30

This is a great pattern that's both super simple and so pretty that quilters of all levels enjoy making it. You'll learn basic piecing skills and how to follow a quilt pattern. You'll end up with a top worth quilting! *(Please note: You must take the Accurate Rotary Cutting class before this class unless you already have rotary-cutting skills.)* \$30 plus book

### Beyond Turning Twenty with Pat Hjelmeland

Sat, Oct 12 - 2:00 to 5:00

Have you finished your first quilt and want to move on? Learn to make strip sets, half-square triangles, quarter-square triangles, and other pieced blocks that will greatly expand your pattern choices! \$25, no pattern required

## OTHER TECHNIQUES & PROJECTS

### Machine Appliqué with Ginny Barchman

Wed, Oct 23 OR Wed, Nov 20 - 6:00 to 8:30

Learn the skills necessary for successful machine appliqué projects. A review and comparison of techniques, thread, needles, stitches, stabilizers, and fusible webs will be presented. Class will include preparation of appliqué shapes through the machine stitching of the project. \$25-pattern included

### Hexies and English Paper Piecing

Mon, Nov 18 - 1:00 to 3:00

Hexies are popping up everywhere in sizes from ¼ inch up. Learn the easy technique of English paper piecing and join the fun! This great take-along needlework will help you make accurate grandmother's flower garden blocks and a whole lot more. \$25 - no pattern required

### Binding Basics with Pat Hjelmeland

Sat, Oct 12 - 10:00 to 1:00

Learn to prepare your binding strips, attach them, and turn mitered corners. Every beginner needs this class to give their quilts the finish they deserve. Don't let a sloppy binding detract from your quilt! \$20-no pattern required

**FREE**

**Sit 'n Sew**

### WOOL CLUB hosted by Patty Barrett

2nd Tuesday every month - 12:00 to 4:00

If you love wool appliqué, join others who share interest. Come when you can and stay as long as you can. Bring your show-and-tell and a project to work on. **No charge.**

### APPLIQUÉ DAY hosted by Angela Lawrence

3rd Wednesday every month - 10:00 to 3:00

Join us for a needleturn appliqué "sew in" every month. Bring your current appliqué project and join in this fun-filled day with fellow quilters. Bring a bag lunch or join others at a nearby restaurant. **No charge.**

**New or back for a limited time**
