

WOOL APPLIQUÉ

Christmas Wool Workshop with Angela Lawrence
Sat, Dec 6: 1:00 to 4:00

Whether you're new to wool applique or just want to join the fun, reserve your spot now for this afternoon workshop. You'll leave with a 12" piece that you can finish or frame as you wish. Angela will provide instruction and personal assistance, so no experience is necessary! \$35 plus pattern

BEGINNING-TO-QUILT SERIES

Accurate Rotary Cutting with Carol Wilson
Mon, Oct 27: 6:30 to 8:30

Before you take a piecing class, learn the basics of rulers, rotary cutters, and accurate and safe cutting techniques. We will teach you to follow typical cutting instructions for strip piecing. (Prerequisite to other classes in this series) \$20-no pattern required

Turning Twenty with Carol Wilson
Thur, Nov 6 & 13: 6:30 to 8:30

This is a great pattern that is both super simple and so pretty that quilters of all levels enjoy making it. You will learn basic piecing skills and how to follow a quilt pattern. You will end up with a top worth quilting! *(Please note: You must take the Accurate Rotary Cutting class before this class unless you already have rotary-cutting skills.)* \$30 plus book

Beyond Turning Twenty with Pat Hjelmeland
Thur, Dec 4: 6:30 to 9:00

Have you finished your first quilt and want to move on? Learn to make strip sets, half-square triangles, quarter-square triangles, and other pieced blocks that will greatly expand your pattern choices! \$25-no pattern required

QUILTING AND FINISHING

Long-Arm Machine Certification with Jeanne Stilley
Sat, Nov 8: 10:00 to 1:00

Learn to use our long-arm in this 2-part class. In the first session, you will learn to wind and load a bobbin, thread the machine, load the quilt, and operate the controls. If you want to become certified for rental, you will need a second one-on-one session with the instructor to prepare for your "solo flight." Session 1-\$65; Session 2- \$100 for 4 hours of practice (by appointment)

Machine Quilting with Karen Abbasi ★ **ROOM FOR 2 MORE**
Sat, Oct 11: 10:00 to 3:00

Learn to quilt your own tops using your home sewing machine. Karen will teach you how to layer the quilt, set up your sewing space, and quilt straight lines before the real fun (free motion quilting) begins. She will also share tips on needle and thread selection as well as other gadgets that help with this technique. \$45-no pattern required

OTHER TECHNIQUES & PROJECTS

Binding Basics with Pat Hjelmeland
Thur, Nov 20: 6:30 to 8:30

Learn to prepare your binding strips, attach them, and turn mitered corners. Every beginner needs this class to give their quilts the finish they deserve. Don't let a sloppy binding detract from your quilt! \$20-no pattern required
