QUILTING AND FINISHING

Long-Arm Machine Certification with Jeanne Stilley
Sat, May 16: 10:00 to 1:00

Learn to use our long-arm in this 2-part class. In the first session, you will learn to wind and load a bobbin, thread the machine, load the quilt, and operate the controls. If you want to become certified for rental, you will need a second one-on-one session with the instructor to prepare for your "solo flight." Session 1-\$65; Session 2- \$100 for 4 hours of practice (by appointment)

Machine Quilting I with Karen Abbasi
Sat, May 23: 10:00 to 3:00

Learn to quilt your own tops using your home sewing machine. Karen will teach you how to layer the quilt, set up your sewing space, and quilt straight lines before the real fun (free motion quilting) begins. She will also share tips on needle and thread selection as well as other gadgets that help with this technique. \$45-no pattern required

OTHER TECHNIQUES & PROJECTS

Binding Basics with Pat Hjelmeland
Thurs, May 28: 6:30 to 8:30 PM

Learn to prepare your binding strips, attach them, and turn mitered corners. Every beginner needs this class to give their quilts the finish they deserve. Don't let a sloppy binding detract from your quilt! \$20-no pattern required
