

Gunnison Valley Clock Tower

Box 937, Gunnison, UT 84634

Dear Friends,

We are writing to you on behalf of the Gunnison Valley Clock Tower Committee, an organization that is working to gather the remaining funds needed to complete the long-awaited Clock Tower, the crowning jewel of our Main Street Revitalization.

The clock tower will be a beautiful landmark that is made to stand for well over two hundred years and will be the first of its kind in the Intermountain West. The clock will rise 35 feet on the southeast corner of Main and Center Street in Legacy Plaza. There will be four large clock faces and beautiful carillon bells. The clock will be built by the esteemed Verdin Company in Cincinnati, Ohio.

This project has been an ongoing effort dating back to our valley's Sesquicentennial Celebration in 2009 where money was raised from two 4th of July Auctions and earmarked for a large clock tower to help commemorate our valley's history. We are now two-thirds of the way towards raising all of the funds needed to complete this historic project and are asking for your help to raise the final amount.

You have a unique opportunity to donate to the Clock Tower and be our partner in building this beautiful landmark. Between now and June 1st, your generous donation is twice as important to our success and worth double its value because of a 100% match from the Eccles Foundation for EVERY donation received prior to that date. All donations will be publicly recognized and/or permanently memorialized in bronze at the base of the Clock. What a wonderful way to honor a family, individual, business or organization for generations yet to come! You may also consider using this opportunity to memorialize a departed loved one by placing his or her name permanently in bronze in this place of significance as a remembrance of their life and lasting influence.

There are several donation levels available. Each level will have its own Bronze Plaque. Your donation of \$250, \$500, \$1,000, \$2,500 or \$5,000 will be matched by the Eccles Foundation. For example: If you donate \$500, the Eccles Foundation will match your \$500 and your contribution is recognized as \$1,000 and memorialized on the \$1,000 donation plaque. Please know the Committee appreciates all donations and welcomes your participation on any level. If your donation is less than \$250, your donation will also be matched 100% by the Eccles Foundation and your generosity recognized.

We would like to thank you for considering this opportunity to partner with our organization for raising funds. Enclosed is a [Donation Form](#) for your convenience. Please consider a generous donation as this clock tower will stand as a lasting tribute honoring the past, saluting the present, and inspiring the future for all people who call Gunnison Valley their home!

Respectfully,

Gunnison Valley
Clock Tower Committee
