

# Calico Station

July/August 2015

## A Note from Mary

*The girls and I are so excited to be able to share with you everything we have going on. In June, we kicked off Row by Row. We've already had lots of visitors from near and far and are looking forward to more. In July, we kick off 'Blending the Florida Summer' Shop Hop and we are holding our first ever Anita Goodesign event. From Anita Goodesign to Camp Calico: We've moved back to the Marriott Courtyard and this is sure to be loads of fun. Kathy E., Jerry and I are all headed to Scottsdale AZ for a week to attend BERNINA University. We will come back with lots of new information on BERNINA's, the best sewing/embroidery machines made. We are excited to introduce our new toy the E16, the BERNINA 16 needle embroidery machine. Come see her. Then in August, we are sending a bus off in the 'Sisterhood of the Traveling Quilt' Shop Hop. This is going to be so much fun... There are only a few seats left, don't get left in Orange Park when the bus rolls out. WOW.... I'm tired just thinking about all that's going on but very excited at the same time.*
