Wow, what a winter! The cold didn't slow us down at all, we just stayed in the shop and had fun with the creative quilters and sewers!

Thanks to you, our customers, for the incredible response to our 1st quarter classes and events! We have enjoyed connecting with our loyal customers and making friends with all the new ones!

We have some great events and classes lined up for the 2nd quarter to help you expand your creative minds, while having

a good time with others who share the same creative passion! Scott's famous **Binding Basics** class starts off April, followed by the new popular **Candy Dish Pillow** using a hexagon ruler and no set in seams!

Lida's ready to show you how much fun the Art to Heart patterns can be. She will help you decorate for the season with the **Summer Blooms** and **Land That I Love** table runners. Learn and brush up on your quilting skills with our popular **Machine Quilting Basics** class, and you will be finishing projects with confidence!

We have so many new spring and summer fabrics at the store that we just had to create classes to show them off! Join LuAnn in making an **Hourglass** quilt. Then, we are also teaching **Bright Eyes**, a great twist on the pinwheel. Either one of these would make great baby quilts or beautiful summer wall hangings.

We would like to invite all our customers and friends to join us May 17th for the **Cube Workshop**. We are proud to have Linda Chaney, the author of the new book "**Contain It! English Paper-Pieced Style Accessories**". Linda has an amazing ability to create 3-D containers from fabric. They are cute, functional, and easy to sew!

Laundry Basket Quilts are so popular. In the **Family Tree** class we will be showing you how to machine applique using pre-cut shapes called "Laseys." The **It's A Wrap** fabric bowls have been stirring up quite an interest and is a great way to use up you scraps. With LuAnn's help you will make a beautiful **Argyll** quilt or runner with the Jinny Beyer's 60° method of diamonds. This fabulous quilt is sure to impress your family & friends! Bobbie will show you how to use the strip tube ruler method to create a stunning "**Tube Top**" quilt.

The staff has been busy planning our famous **AccuQuilt GO! Retreat**, which is June 19th-21st. You won't believe how much fun you can have in three days! **A Long Arm Retreat In July? YES!!!** Join us July 11th & 12th. We are so excited and honored to have **Sue Patten** here to teach us her innovative techniques. Don't miss your chance to learn from one of the best long arm instructors in the industry.

Don't forget to mark Monday, June 23 IN INK on your calendars like the girls here at the shop have! **Alex Veronelli** from Aurifil Threads will be here in person!! Oh, did I mention that the **Aurifil thread** he speaks about is *pretty wonderful too?!*

Hope to see you all in the classroom soon! **Your Country Traditions Friends**
