details!

The Start of a new year is always an exciting time. It is a time to reflect on the past year but also look forward to all the possibilities of the coming year. Like most people, I like to set goals for the coming year. Two of my goals for this year is to get caught up on projects and also to learn Pfaff 6D Embroidery Software. Be watching for more on the 6D over the course of the year!

Creative Center Coordinator Scott

January begins the **Owners Class** series. I am starting this rotation of classes with **Machine Owners 4** for our **Embroidery Machine owners** on January 16th.

Calling all Performance & Creative Line machine owners! Come join me for **Stitch Creator Applique** on January 30th. Learn how to create three signature stitches and then stitch them out on an applique block in class.

February is all about Embroidery, Embroidery, Embroidery! Join Leslie for the start of Hoop Sisters 2014 Embroider-a-block **Jacobean Journey** class on February 1st! Also, back by popular demand is the 2013 Embroider-a-block **Feathered Star Sampler**. **Spring Surprise** is the newest design from Claudia's Creations! This fun project is a breeze to make and should be almost completed in class! February 15th is the one time Kick off class for **Affairs of the Heart**. This beautiful quilt can be made with either 6" or 8" laser pre-cut shapes which are appliqued completely in the hoop! Stop in and see the store for more details.

We are super excited to be the first quilt shop in the state to offer a Sulky **Embroidery ZEN** retreat! This exciting two-day retreat will be taught by Ellen Osten, National Director of Education for Sulky of America. The registration fee includes two days of fun, lunches, snacks, the kits to make the 11 featured projects, and the knowledge to take your embroidery to a whole new level!

Coming in March for our Embroidery Machine Owners, is a class on the 6D Embroidery Plug-in, which is a free download from the PFAFF website. You must have Windows 7 or 8 to use this software.

We look forward to seeing you and helping you expand your creativity over the next year.

*Happy Quilting*  
Scott
