

## ❧ Caramel Apple Grapes ❧

### Ingredients:

Green, seedless grapes; washed and dry  
Vanilla almond bark  
Cocktail peanuts, chopped

### Directions:

In a microwave safe bowl, melt vanilla almond bark. Stick each grape with a toothpick. Dip the grape into the melted vanilla almond bark, and roll in the chopped peanuts. Place on a serving dish. Refrigerate until ready to serve. Refrigerate any leftovers.

You can make as much for as little as you like.
