Quilting Retreat to.....

# Historic St. Augustine, Florida!

Here's a look at the projects you'll be making!

The first project for our St. Augustine retreat is Pam's new pattern called Settler's Puzzle. A wonderful two color, two fabric quilt that features unique blocks that "fit together like a puzzle" to make a this wonderful design. A Sawtooth border sets off the center design for a striking lap quilt. *You can choose* your dark color from one of three choices for your quilt....blue, red or black! Pam will choose your quilt fabrics from her new fabric line, Pin Money! (Quilt size 54" x 66")

Your quilt will be shipped to your home (no additional charge!) ahead of time, along with cutting instructions, so you'll be all ready to begin sewing in class!

Your second project is Lynne's new quilt called Windmill on the Plains. Combine Jelly Roll strips using her layered patchwork technique for a simple, dimensional quilt for your home. Her new KT Favorites II fabric collection is the perfect choice in warm shades of reds, blues, greens, golds, purples, blacks, pumpkins and tans. (Quilt size is 48" x 48" square)

On our third day of class, you'll be spending part of the day with Lynne, and part with Pam to create these fun projects!

This truly unique pincushion is Pam's project, simply named Tin & Patchwork Pincushion. You'll create a fabric ball by English Paper Piecing. Don't know how to English Paper Piece? Don't worry...you'll get all the tips and tricks in class. This cute fabric ball then sits in a vintage Jello-O tin! Yes...The vintage tin is included in your kit!

Lynne's project is a fun Table Treat! Just layer, quilt & embellish with your favorite appliques for a fast & easy table topper in no time at all. Several options to choose from. (Quilt size 17")
