

The Best Chocolate Frosting Ever!

Ingredients:

2 small cartons of heavy whipping cream
1/4 cup white sugar
small package of instant Devil's Food pudding
2 tsp vanilla
1 Hershey bar, grated.

Directions:

Pre-chill mixing bowl and beaters. Beat whipping cream until stiff peaks form. Gradually add sugar, then the chocolate pudding, then the vanilla until blended well. Top with the grated chocolate.

This frosting is wonderful on top of a cake, cupcakes, brownies, anything you'd like! Try substituting lemon pudding and top with blueberries, or vanilla pudding and strawberries!
