Sewing for the LOVE of it!

Newsletter & Classes

July-September 2015

Welcome to SFTH

Dear Sew from the Heart friends,

Summer is here! Contrary to what one might think, the valley of the sun does not “shut down” when our triple digit temps arrive. We just seek more indoor activities, like...sewing! Here at Sew from the Heart, we have created some fabulous opportunities for you to come in from the heat and enjoy sewing fun with us!

We are thrilled that BERNINA University will be here in Phoenix this July! Several dignitaries, including Hanspeter Ueltschi, Chairman of the Board of Directors and fourth generation owner of BERNINA International AG (formerly Fritz Gegauf AG), which was founded in 1893, will be visiting during this time. We hope you can join us for a “Meet and Greet” event with Mr. Ueltschi on Wednesday, July 8th from 1:30 to 3:30pm. During this time, we will have a special customer display and a showing of our charity projects from Sew for the Love of It Day. We will also have a fun contest. Look for more details in our email newsletter closer to the event. It will be a fabulous celebration!

SFTH is offering 2 sessions of Kids Camp, sewing for children and teens. June 15th through 19th and July 20th – 24th. We are offering these sessions with a new sewing machine or bring your own. This is one of my favorite summer programs we do at Sew from the Heart!

Check out our classes and new teachers! We welcome, Bonnie Bobman, Annie McCall and Alyssa Lichner. Each of these talented ladies bring great knowledge, creativity and enthusiasm to their craft of sewing. Look for them in our class schedule!

Mark your calendars for “Beat the Heat”, our annual sew-in event in August. This 2 day event is a tradition at Sew from the Heart. Join us for 2 full days of sewing fun, camaraderie, games, drawing, food and lots of laughter! Call to reserve your place for Beat the Heat, August 21 – 22.

Come and sew with us this summer!

Love and stitches from me to you!

The Perfect T-Shirt

#23458 Sat Sep 26 10 - 4:30

A T-Shirt can be more than a comfy top you throw on to do housework. A nice-fitting T-shirt can be the most versatile top in your wardrobe. This selection from Pamela's Patterns addresses all the fitting issues women face (rounded shoulders and back, full bust, hip room, etc.), and gives you a T-shirt you'll be proud to wear anywhere! Make it casual, dressy, or anything in-between.

Teacher: Pamela Leggett Tuition: \$150 before July 25th, \$200 after this date. \$12 Kit Fee (Not LTS)

Serger Workshop

#23457 Fri Sep 25 10 - 4:30

A great class for serger owners old and new! Spend time and really learn what your serger can do for you besides just finish an edge. Maintenance, threading, tensions, differential feed, rolled hem, flatlocking, lace, and more will be done on your own machine. Plus you will see a vast array of samples to inspire future projects. This class has been the inspiration for

many of the articles Pamela has written for Threads Magazine. A wonderful way to learn the full potential of your serger!

Garment

Skirts Skirts Skirts!

Create your own skirt pattern from scratch using just your body measurements! Then make a lined skirt using your new pattern. The skirt style is a straight or pencil skirt with a focus on not having any stitches showing—inside or outside of the skirt. You can choose variations of finishes with the lining style, hem options, facings, etc. to accomplish this. If you just want a quick skirt without the fancy finishing, come to the first class only. If you want to learn the more advanced finishing techniques for the skirt, or if you think you might not be able to complete the skirt in just one class, please attend both classes.

English Paper Piecing Primer

Are you looking for that new "take-with-me" sewing project? This is it! English paper piecing (known as EPP) is an almost addictive method of piecing geometric shapes by basting fabric around a cardstock template. The pieces are then whip-stitched together. It's easy, fast, and can be sewing machine-free. This method can be used to make scrappy or highly planned projects!
