

CHANDAIL

NEEDLEWORK

Saira's Message

Dear Friends of Chandail,

HOW TIME FLIES! One year has gone by since I became owner of Chandail and I have been reflecting on all the great things that have happened throughout the year. It was an amazing first year, which we celebrated on April 30th. Chandail was filled with customers and special guests throughout the day. I would like to thank everyone for making my first year a success.

As many of you know, education and learning are very important to me, which is why I love to be both teacher and student! To kick off year two, Tony Minieri was our special Chandail guest teacher in June. Tony shared his needlepoint talents as he taught a 3 day Embellishment Class. Everyone had such a great time with him that I have asked him to come back next year. For those of you who are looking to broaden and refine your needlepoint skills stay tuned. There are more classes scheduled for 2013 and lots more to come in 2014. To encourage learning I have started the "Love to Learn Club" at Chandail. Details can be found on the Chandail website.

In closing, it is very important to keep the Needlearts alive, so please join me in exposing younger generations to our wonderful world of needlepoint. I also would like to let you know that I will be "recharging my battery" for a couple of weeks this summer, therefore, Chandail will be closed from July 15th – 27th. When I return, I would love for you to stop by and visit as I stock the shop with many new threads, beads and canvases.

Happy Stitching, *Saira*
