

The Quilt Shop on Main is located in the beautiful town of Jasper, in the North Georgia Mountains. Because of our distance from metro Atlanta, many quilters are making us a destination shop. Some of our customers venture our way from other mountain cities with a group of quilting friends. If you would like to do the same, we would like to reward you and support your journey to our shop.

We would love to invite you to come to our shop and enjoy your visit with a free lecture or demonstration. Your group can choose from our list of lectures and demonstrations. The “Menu” is as follows:

Option A - Sewing Demos

Mitered Corners
Bias Binding
Frame Up
Curved Piecing
Batting Buddy
Thangles

Option B - Ruler Demos

Deb Tucker Rulers:
Tucker Trimmer
Wing Clipper
Peaky & Spike
Spotlight
Elisa’s Square Me Up Ruler

With 4 – 7 people choose one from Option A or B. The lecture or demo will take approximately a half an hour. You will receive a free party favor, 10% off the item demoed and your names will be entered for a nice door prize just for your group.

With 8 – 11 people choose one from Option A and one from Option B. The lecture or demo will take one half hour each. You will receive a free party favor, a fat 8th, 15% off the items demoed, and your names will be entered for a nice door prize just for your group.

With 12 – 15 people choose one from option A and one from option B. Each lecture or demo will take one half hour. You will receive a free party favor, a fat quarter, 20% off the items demoed and your names will be entered for a nice door prize just for your group.

If you have an idea for another demo that’s not listed above, please contact Karen Williams to make those arrangements.

So that we can have ample supplies on hand for your group, we ask that you make your reservation at least two weeks in advance.

Jasper has several very nice lunch spots. We would be happy to recommend a great spot for your group to have lunch. For groups larger than six we recommend reservations as many of our restaurants are small and are generally busy at lunchtime.
