

Our new Nifty Nine-patch Saturday Sampler started in June and will run thirteen months through June 2013. It's not too late to join. It features two Moda lines, Summer Breeze II and French General Rouenneries Duex. You will need to buy a yard and a half of background fabric at the start of the program. The rules are the same as our other Saturday Sampler programs and will be \$5.00 the first month. The following months are free as long as you bring your finished block to the Saturday Sampler program. Otherwise the block is \$5.00.
