

# Tea & Cookies Saturday Sampler

Our new Tea & Cookies Saturday Sampler started in January 2013 and will run thirteen months through January 2014. It's not too late to join in. It features a Lakehouse line, Penelope and a selection of blue and green batiks. The rules are the same as our other Saturday Sampler programs and will be \$10.00 the first month. The following months are free as long as you bring your finished block to the Saturday Sampler program. Otherwise the block is \$5.00. If you would like to do both color choices or more than one block, you are eligible to get one block free, but the second will be \$10.00 the first month and \$5.00 each month thereafter. This group will meet at 10:00 am on the second Saturday of each month.
