

Our ongoing Tropical Paradise Saturday Sampler started in October 2011 and will run through September 2012. It features batik fabrics and flying geese themed blocks. The blocks have either a black or white background. The rules are the same as our other Saturday Sampler programs and will be \$5.00 the first month. The following months are free as long as you bring your finished block to the Saturday Sampler program. Otherwise the block is \$5.00.
