**CLASS:** QQC- CHARLOTTE

**TEACHER:** Ellen Speranzo

**E-MAIL:** esperanzo@cox.net

**CLASS DESCRIPTION:** In this class you will make a table topper or baby quilt and learn how to construct a bow-tie block. The open spaces provide an opportunity for newer quilters to learn how to use a frixion pen with a stencil to create a free motion quilted design with the BSR. This easy quilt is made up of 5" charms, and finishes at 32 x 32". Be sure to check out the various colorways on pages 11 and 13 before selecting fabrics.

**ADDITIONAL NOTES:**

If you are a confident quilter you might want to cut your charms per the diagram on page 10 before class. When you cut the squares, place all pieces into piles by size, keeping the same order for each pile. Sometimes when cutting charms that have "pinked" edges it's hard to know where to measure from to cut. If this happens to you, place the charms on a cutting mat, and center the fabric between the 0 and 5" lines, and then begin cutting.
