SEW FROM THE HEART STUDENT SUPPLY LIST

Class: **Go! Petal Sue**

Teacher: **Judy Danz**   E-mail: **jdqltr@gmail.com**

DESCRIPTION: A new look for an old block…. Sunbonnet Sue with a Dresden Petal dress. The dress is pieced in the hoop, then beautiful satin stitching to finish the applique. The Accuquilt Go! Cutter makes this an easy project!

SKILL LEVEL: Beginner_**X**_ Confident Beginner_**X**_ Intermediate_**X**_ Advanced_**X**_

PREREQUISTE: Please have completed all Machine Mastery and Embroidery Mastery Classes.

SUPPLIES: all supplies listed are required unless noted otherwise!!!

- From the **Petal Sue** embroidery design set by Judy Danz, load your choice of design on to your machine or USB stick.
- Accuquilt Go! Cutter, AccuQuilt GO Sunbonnet Sue (55061) die & mat and Dresden Plates (55071) die & mat – I will bring my dies for use in class as well.
- Fabric – to stitch one block. There will be time to stitch several blocks during class so you may wish to bring extra fabric:
  - ✓ Background Fabric The design size is 5-1/2" x 8-1/2". Recommended minimum background size is 8" x 16". This design fits nicely in an 8" x 10" finished block (8-1/2" x 10-1/2" unfinished). To allow for shrinkage during the stitching process, cut a background piece for hooping at least 9-1/2" x 11-1/2". Trim to the desired unfinished size after Petal Sue is stitched.
  - ✓ Petal Sue bonnet, arm and foot (cut from Sunbonnet Sue die): 5-1/2" x 5-1/2"
  - ✓ Petal Sue dress (cut from Dresden plates die): 6" x 7" to cut three petals, 3" x 7" to cut one petal if doing scrappy.
- Embroidery machine with module and your OVAL hoop.
- Basic embroidery supplies – whatever you need for a fun day of creating.
- Embroidery thread colors:
  - ✓ Color to coordinate with fabrics if using one color for the entire design (as done with the sample quilt.
  - ✓ There are color stops to allow for separate colors for each Petal Sue piece. Two colors look great too with the bonnet, arm and foot one color and the dress a second.
- Glue stick or 1/2 yard fusible web such as Steam-a-Steam. Note – if you have never used a glue stick instead of fusible for your applique and want to try it, this is the class! Elmer's school glue stick that goes on blue and dries clear is a perfect choice.
- Medium weight tear-away stabilizer for embroidery.

 Please note all supplies are required unless otherwise noted! Thanks!
